6 March 2020

Dear Parent/Guardian

We are very conscious of how difficult our boarding pupils must be finding life at the moment given the national and international coronavirus issue, and the challenges they are facing are clearly significant.

The College has taken steps which we hope may relieve some of the burden and I can confirm that we will be keeping Weaponness Boarding House open throughout the Easter holiday Friday 3 April to Sunday 26 April (although we are aware that many of our examination year group pupils will return on Wednesday 22 April). Pupils currently residing in Willersley or Crews will be given single or shared accommodation in Weaponness should they decide to stay.

We have broken the holiday period down into three separate periods and you may sign your son or daughter up for one, two or all of them depending on your circumstances. The price is all-inclusive, covering accommodation, three meals a day (plus snacks), supervised study and a programme of trips and visits.

Friday 3 April - Thursday 9 April	£400
Friday 10 April - Thursday 16 April	£400
Friday 17 April - Wednesday 22 April	£200 (Years 11, 12 & 13 pupils)

Or

Friday 17 April - Saturday 26 April	£400
-------------------------------------	------

A residential Houseparent will provide pastoral care and supervise the pupils in the boarding house and a team of academic and support staff will additionally provide support as well as lead the expeditions and activities. Whilst the focus for our Years 11 and 13 pupils will naturally be on their forthcoming external examinations, we can assure you that your children will not be bored, but will also have appropriate time for proper rest and relaxation.

We would be grateful if you could contact Janet Thomas directly on janet.thomas@scarboroughcollege.co.uk to sign your son or daughter up for one or more of the periods. If you have any questions, please do not hesitate to contact Janet or myself.

Yours sincerely

Tim Cashell
Deputy Head
