HEADMASTER

I AM DELIGHTED TO BE ABLE TO PROVIDE TALENTED GOLFERS THE OPPORTUNITY TO COMBINE THEIR FIRST CLASS GOLF DEVELOPMENT WITH ACADEMIC EXCELLENCE AT SCARBOROUGH COLLEGE.

With our College grounds adjacent to those of the stunning South Cliff Golf Club, our partnership dates back many years. Both as part of our Yorkshire Grit programme and for school fixtures, golf is played by our pupils at a club that prides itself on being 'the friendly club'. South Cliff Golf Club is known as one of the finest golf courses in the North of England and has regularly hosted regional, county and national events, including the English Amateur Championship. We look forward to your son or daughter winning the Championship there in future years!

The Golf Centre of Excellence will provide a vast amount of coaching hours and in-depth, individual coaching. Players will be given access to indoor facilities and wonderful golfing software that enables us to provide outstanding coaching hours even in adverse weather or during shorter days.

The Centre of Excellence means players can represent Scarborough College in fixtures and tournaments against talented players in the county and across the country.

Facilities are clearly important but having the right coach will be the most vital part of ensuring players thrive in the Centre of Excellence. I am thrilled we are working with a PGA professional and one of the best coaches in the country. Ivan Oliver has been recognised by many governing bodies as a pioneer in golf development and I am positive that the Scarborough College Golf Centre of Excellence will thrive under his stewardship.

A WORD FROM THE HEAD PRO

ONE OF THE MOST ACTIVE JUNIOR GOLF DEVELOPMENT COACHES AND RECIPIENT OF THE PRESTIGIOUS SIR HENRY COTTON AWARD, HEAD PRO IVAN OLIVER'S CONTRIBUTIONS TO JUNIOR GOLF HAVE REACHED WELL OVER 10,000 YOUNG GOLFERS.

In addition to being Head Pro at South Cliff Golf Club and the Scarborough College Golf Centre of Excellence, Mr Oliver has worked with a wide variety of players, from primary school hopefuls to national champions.

As Head Pro, Mr Oliver, a PGA Level 3 Pro, leads the Golf Centre of Excellence, designs the programme and works directly with the players in areas such as individual skills development and mental approaches to the game.

"Scarborough College, South Cliff Golf Club and myself have worked together for many years and I am incredibly excited to be part of the centre of excellence."

With the additional exposure to the game and the added training time, we can take players to the next level in their game and start playing on courses throughout the county."

SOUTH CLIFF GOLF CLUB

A MERE STONE'S THROW FROM THE COLLEGE, SOUTH CLIFF COMBINES ONE HUNDRED YEARS OF TRADITION WITH PURE GOLFING PLEASURE AND PASSION.

Designed by Dr Alister MacKenzie, of Cypress Point and Augusta National fame, the course at South Cliff is divided into two parts. Holes four to ten lie on the seaward side while the first three holes and back seven are laid out along the bottom of the valley. Both sceneries provide an inspirational backdrop, making the course one of the finest along the English east coast.

South Cliff features additional practice areas, driving range and a well-stocked golf shop. The club hosts several Open events, including the South Cliff Classic and the Scarborough Golf Week. Courses at Filey, Whitby and Driffield are a short driving distance away and provide alternatives to our home base. Covered driving ranges are offered for winter coaching sessions.

PROGRAMMES

The Golf Centre of Excellence provides athlete specific and individual development in both small group sessions as well as one-to-one training. All players undergo a training regime that takes into account fitness, strength and conditioning, and nutrition as well as playing ability and progress.

Individual sessions

- Swing mechanics
- Short game
- Course management
- Use of TrackMan 4 Launch Monitor and GC Quad Launch Monitor
- Additional fitness and nutrition, as required

Group sessions

- On-course play and coaching
